

Huntingdon Valley Bank does not charge a fee when our Customers access a non-HVB ATM. In addition, HVB partners with STARsf to provide access to an additional network of surcharge-free ATMs offering HVB Customers more convenient access to their money without an ATM surcharge. When accessing a non-HVB ATM that is not part of the STARsf network, Customers might be assessed a fee by the ATM provider for use of their machine (this fee is NOT charged by HVB).

HVB was recently notified by STARsf that they have altered their surcharge-free network partner list which will impact the surcharge-free ATMs you can access.

To locate the nearest surcharge-free ATM please visit <https://www.moneypass.com/atm-locator.html>. In addition, you can download the MoneyPass mobile app from the Google Play & Apple App Store.

Should you have any questions please do not hesitate to call us, 215-947-1300.
Thank you for being a valued Customer of Huntingdon Valley Bank.
